APPLICATION INFORMATION CHECKLIST

Beginning your Application
The following documents may be submitted when you apply or after your application has been referred to a community partner:

- Identification – The applicant or the co-applicant must provide identification (ID) to get assistance. Photo ID is preferred, such as a driver’s license, state ID card, military ID card, or any passport. Many other forms if ID can also be used, such as a birth certificate, a Medicaid or Medicare card, a signed Social Security card or an ID card issued by employer or religious organization/place of worship.
- Proof of Residence – Applicant must provide proof that they live in the rental unit listed on the application; this could include a utility bill in the applicant’s or co-applicant’s name or identification that shows the same address as the rental unit.
- Copy of your lease agreement if you have a written lease and utility bills for past due utilities.

Rent Assistance
If you are applying for rent assistance, please be ready to provide the following information:

- Number of months past due, monthly rent amount, total amount of rent owed
